ANDERSON

TEMPLE NO. 42.

by Sister J. Young El.

The Moore Els had been quietly living until a single ring of the phone changed the course of things, and for a little while things hummed. The Sisters' auxiliary was sponsoring a National Exhibit and Style Show in Cleveland. When brother Fuller Coy, G.M., was moved to call his brother and Sister in Anderson, he automatically set the wheels in motion and before anyone was quite sure just what it was all about, they found themselves getting ready to hit the road. The message was relayed to Sister F. Moore Coy of Dundie and in a surprisingly short time, we were together again for another trek across the country to join our brothers and Sisters in a happy celebration.

Although extremely tired and昏昏 from the long journey, the Moore had a wonderful time. The Cleveland Moors had about given us up when we arrived and amid welcomes and good things we found ourselves part of it all.

Sister Moore Coy, Sister Young El and children were the house guests of brother and Sister Fuller Coy who made everything quite pleasant and comfortable.

Sister Moore's El and Sister Young El owe me a most embarrassing apology for succumbing to a snore while in the middle of a conversation with hostess brother Fuller Coy, - who by the way was sitting in the dark.

Those of you who are familiar with the "Red Skeleton Radio Program" and the expression, "I dood it" will recognize this; the life of the party is, Sister Moore Coy, "dood it again." Although suffering physically with gastritis, she grits her teeth and dug in for all she was worth, but alas, she over-did the thing, and we're sorry to report the life of the party blew a fuse and was put out of commission for the night to - tch.

There are certain people in the world in various professions who are never supposed to be caught publicly unawares or unprepared and are, professionally speaking, able to face to any emergency. However, one of your sisters, present at the Exhibit was so completely taken unawares, she was rendered speechless and her brain refused to function. She could do nothing for the time but retreat to corner until the shock was over and she was able to make her way back. GUESS WHO!

The reward of such a Hospitality goes to brother Peck Coy of Cleveland, and his brother, a well known sympathizer. They were hosts to brother and Sister Moore El, with little Jean, who were all very happy and delighted with the visit and ultimate conference with brother's home.

shown every courtesy and convenience even to a delicious breakfast served on pre-heated plates, which, (this is note one for the little blue book) Sister Soone El discovered had to be cooled in the window before they could be used; (and note two for our little blue book, a custom long indulged in by the ladies was practised by their host) preparing and serving breakfast in his lounging room why, Brother Peck say! According to the habit of these privileged souls, he calmly dressed after breakfast and with his guests returned to the Temple. If you ask the Soone Els, these Peck brothers are a little bit of "Alright."

Sister Weatherly Bey, of No. 42, enjoyed the hospitality of the Cleveland Moors and in the Moslem spirit according to the Sisters' custom, joined in aiding her sisters with the serving. Sister Weatherly Bey has a daughter in Cleveland and planned to visit a few days with her.

EDITORIAL

JANUARY, 8th.

This Moorish Nation, throughout, will celebrate, rejoice and sing praises unto Allah and Ali; for on this date a "Prince of Peace" was born, bringing to us glad tidings and the "Light of Life."

While every nation today is seeking Peace, we, the Moorish Americans are blessed for the birth of NOBLE DREW ALI, a MOORISH PROPHET, born Jan. 8th, to the Nations of the Earth. Where Peace; if the nations of the earth will accept Him, Peace will come-will to all Mankind will be His.

Like the Wise Men, spoken of in Ancient Times, followed the Star of Bethlehem and found the place where Jesus of Nazareth was born, and there laid their precious gifts at his feet, for they realized what his coming meant to them, I thus today, the Moorish Americans, follow that "Star of Bethlehem" and realize what it means

"LASTING IMPRESSIONS"

ISLAM:

My very first visit to the Moorish Science Temple of America.

The meeting was in the basement floor of a very imposing building at 832 Livingston Street, Detroit, Michigan.

The picture which I saw that evening was taken with the "camera of the mind's eye" and although quite a number of years have passed since that time, that picture of color and beauty shall always remain with me to look at whenever I choose.

The stately red fez, the beautiful colors of the artistically wrapped turbans.

The display of the two national flags, the Stars and Stripes, to the right of the speaker, and honored as our National Flag, and that gorgeous Moorish Flag, with the green star in the center, was hanging to the left of the speaker; and it was on that night that I learned that this gorgeous Moorish Flag was the treasured ensign of my ancient forefathers and that it was also my own National Moorish Flag.

One glance at the intense faces and the sparkling, shining eyes of the Moorish men assembled that evening

EXHIBIT AND STYLE-SHOW GIVEN BY UNIT NO. 7.

As long as there are 2000, there will be colossal exhibits, fashionable style shows and merri-ment. The Sisters of the Sisters' Auxiliary, Temple No. 7, Cleveland, did themselves proud this night, displaying their handiwork both for exhibition and modelling purposes.

The program of the evening was simple but delightful and the sisters deserve a healthy hand of cheer for their fruitful efforts.

After customary opening services, Sister P. Reynolds El, National Chairman, called on Brother Boone El, who has just arrived, for a speech. The welcoming address was then delivered by the Grand Mufti, Brother M. Fuller Boy.

Sister P. Reynolds El, in her delightful manner, then took charge, and presented the members of the fashion review as they appeared in order. All costumes modelled were ably created and designed by the Sisters themselves, and I do believe they truly earned three lusty cheers for their fine work.

Sewing, dear brothers and sisters not acquainted with the art, is truly an art in every sense of the word, as well as quite practical and a necessity to the comfort of good living.

Outfits modelled were; 2 pc. blue plaid coat suit by Sister T. Owens sey, of No. 7; a tailored daytime dress of red with white floral design, rayon silk, by Sister D. Smith sey, of Columbus, Ind; 2 pc. afternoon dress for sportswear and a daytime dress of contrasting shades of blue, by Sister E. Owens sey; a 2 pc. salmon colored suit by Sister A.

Vincent sey; Moorish Costume by Sister P. Slay sey, of orange gold taffeta; a blue silk afternoon dress by Sister H. Brown El; a dainty print housecoat by Sister T. Owens sey; a Moorish Costume by Sister A. Vincent sey; a coat suit by Sister H. Finzie sey; a schooldress of broomstick skirt and tailored white blouse by Sister E. Owens sey; and other styles were modelled.

At various intervals during the styling our National Chairman presented other actors of the program which turned out to be delightfully amusing and entertaining, inasmuch as the majority of the performers were surprised into contributing to the entertainment. This unique idea of injecting a spirit and good cheer into one's heart was very well received and a happy time was had by all.

A young couple was persuaded to give us the latest steps in "Jitterbug Dancing" and a piano solo of popular numbers was rendered by Brother S. Slay sey of No. 7.

Sister F. Moore sey and Sister N. Boone El presented a duet. Sister J. Young El sang, "I'm in a low-down groove."

Our little ones will run rings around us if we aren't careful. They have what it takes in the way of honest gaiety, rhythm and ren, which was displayed by Sister Vincent sey's little five year old daughter, who gave those

present an idea what it means to strut and pose for a fashion show. Our Supreme Grand Advisor and Moderator, Col. C. Kirkman Key, was expected to appear with his Moore for this occasion, but for business reasons, he was unable to be with us, and which was a great disappointment to us all. Although, not there in person, his loving interest in our ultimate happiness and welfare was keenly felt and radiated from us all in our own efforts to make the occasion a happy one.

We also missed our Field Representative, Brother C. Barker Key and his co-workers, but we understand Sister M. Barker Key recently returned to her home from the hospital and we'd like to take this opportunity to wish her a speedy and happy recovery.

Word from our own Brother and Sister F. Nelson Key let us know how much they desired to be present and that theirs and the best wishes of the Moorish Family at the Home, was for our success.

May I say for my Brothers and Sisters, "We know you were there" and this includes our many Brothers and Sisters of the various Temples who were unable to come, but who showered Sister Fuller Key with letters, telegrams, personal deliveries, air-mails, etc., offering "Congratulations" and helping to the cause financially.

They say this avalanche of mail greetings plus the stream of visitors coming into port to be welcomed, fed and made comfortable, nearly wrecked our faithful Sisters, but they can take it, Brothers, for they were as pert as ever that night with our National Chairman looking exceedingly well and as pretty as a picture in a striking

outfit of brown with a gold sequin trimmed jacket which she would have done well to have modelled.

That which we were most proud of was the Sisters' display of handicraft which spoke for itself as to just what we can and must do for our coming generation.

Exquisite covers of crocheted, artistically designed, pillow tops and pillows, quilts, sheets, linen towels, embroidered pillow cases and aprons, bearing our national emblems and titles of, Father, Mother, Sisters or Brothers, and which helped to make this exhibit a colorful and attractive success. All work contributed by the members at the Moorish Home was unsurpassed in artfulness and we are exceedingly proud of them who are striving to build for us and still find time to create beautiful worthwhile articles for our comfort, and enjoyment.

Sister Fuller Key was very happy to announce that orders had been taken for practically everything offered for sale by the Home and more had been promised.

And now in the light of such creative effort on the part of a few, it seems we each one could and should board that Moslem Train which says with ever turn of its wheels,

- 1 I think I can,
- 2 I think I can,
- 1 I know I can,
- 2 I know I can,
- 3 I know I can,
- 1. I made it!

On Dec. 13th, we were honored with the presence of our Supreme Grand Advisor and Moderator, Col. C. Kirkman Joy, accompanied by Brother A. Bryant Joy, Grand Governor, State of Ohio. They arrived early in the morning. The Moors were glad to greet them.

They later visited the home of Brother R. Jones Joy, whose wife has been very ill, Sister S. Jones Joy. We do hope that Sister Jones Joy will recover from her illness and we all send out good wishes for her.

Col. C. Kirkman Joy and Brother Bryant Joy also visited the home of Brother and Sister J. Sabar Joy and here enjoyed a short rest period. Upon returning to the Temple they enjoyed a lunch prepared by the Sisters Auxiliary. The Moors had by this time all arrived at the Temple and were waiting for their guests to return that they might greet him, and when he arrived, there was much joy and happiness, and at the request of the Col., several songs were sung in low, sweet tones, among them, "Oh, when I come to my Home in Virginia," and "The Great Judgment Morning," and "Our Joy Will Shine Tonight." These welcomed guests spent the day with the Moors, returning to their homes in the evening and were escorted to the Station by Brother W. Davis El, Grand Sheik, Brother J. Taylor Joy, Assistant and Brother L. West Joy.

We wish to mention the fact that our Sisters I. Jordan Joy and

L. Davis El are much missed from Temple No. 25.

This Temple sends "Season's Greetings" to all the brothers and sisters of the various Temples and at the Moorish Home.

Unit No. 25, Sisters' Auxiliary, sponsored a party Dec. 17th, in honor of the Anniversary of the Sisters' National Auxiliary, at the home of Brother L. West Joy. Dinner was prepared by the Sisters of Roasted Duck, Creamed Peas, Mashed Potatoes, Fried Chicken, Sweet Potatoes, soft drinks. Games were enjoyed by all present and the Moors had a lovely time together. Many of their Asiatic friends were present.

We are proud Sister S. Smith Joy is getting along nicely after a fall in her home.

The Junior Auxiliary of Temple No. 25, Detroit, enjoyed their first Anniversary Celebration, Nov. 28th, and they were happy to have Col. C. Kirkman Joy with them on this occasion. Sister Willi Mae Reynolds El is Chairman.

On Nov. 15th, Col. C. Kirkman Joy was present at our religious services, on his way to South Bend, Ind., where the Sisters' Auxiliary was entertaining.

He arrived in the midst of our divine meeting and we were truly happy to receive him as he entered the Temple.

His words of encouragement are always uplifting,

and leaves us with a new spirit to go on. Leading the song "Love lifted me" all joined in harmonizing their voices.

Col. C. Kirkman Joy spent the night at the home of Brother and Sister C. Gaines El and returned to the Temple the following day where the Sisters Auxiliary had prepared lunch. Col. sat at the head of a long table where all the Mothers took their seats, and enjoyed dining with the Col. Sister M. Selvey Joy and Sister L. Lee El departed with the Col. on his way to South Bend to attend the Sheik Ball.

We are proud Sister J. West Joy is recovering after a brief illness.

A certain beloved sister was seated on a trolley car, the other day, when her purse slid from her lap to the side of the seat and when she reached for it, it accidentally opened and the contents spilled between the wall and the seat. If you had seen her you would have thought she was repairing the seat for she had taken the top of the seat off, gathering up her possessions that fell from her purse. She was so embarrassed from the excitement because she was sitting off at the next stop. She finally recovered her change purse which was opened out luckily not a dime was lost. When she arrived home she checked over her belongings and found everything was O.K., even if she did tear up the street car and put it back together in two blocks.

Sister L. Lee El, Chairman of the Sisters' Auxiliary, and Sister Selvey Joy reported a lovely time

in South Bend at the Sheik Ball.

Sister M. Clark El, Sister M. Woods Joy and Sister L. Lee El, Chairman of the Sisters' Auxiliary attended the Exhibit and Style Show sponsored by Temple No. 7, Cleveland, Ohio.

On Nov. 27th we were again happy to greet our Supreme Grand Advisor and Moderator Col. C. Kirkman Joy, who arrived from Temple No. 19, Flint, Michigan, and later in the evening on the same date, our Field Representative, Brother Barker Joy and his co-worker, Brother Patterson Joy arrived. This was a grand reunion on our Holy day, Friday. Dinner was prepared by the Sisters and all ate heartily, and later attended religious services, but Col. Kirkman Joy, needing rest, did not attend but relaxed at the home and enjoyed the hospitality offered by Brother and Sister J. Sapor Joy. He returned to the Temple the next day and joined in the celebration of the Jr. Auxiliary in their Anniversary Celebration. Brother Kirkman Joy was proud of the Jr. Auxiliary and spoke many encouraging words to them, urging them on in their good works.

Sister H. Johnson Joy, who recently finished a six weeks course in the machine shop, at the Crispus Attucks High School, reports having found it a very interesting course and the metal roller which she made to specific measurements for one of the machines at the Moorish Iron Factory, shows her skill in this line of work.

NEWS FROM HOME

SISTERS' AUXILIARY HONORED WITH ROYAL GUEST

History is in the making and Dec. 17th, will be a day long remembered, for on that date, the Sisters' National Auxiliary of the Moorish National Home, celebrated their 17th anniversary, the day set aside by our beloved Prophet, Hecle Drew Ali, as a National Holiday for the Sisters.

The Sisters felt highly honored at having the presence of their Supreme Grand Advisor and Moderator, Col. C. Kirkman Sey, who arrived on Dec. 15th and who was heartily greeted by the all.

The Sisters Auxiliary, under the direction of our National Chairman, Sister P. Reynolds El, soon had prepared a tasty hot meal which was enjoyed by brother C. Kirkman Sey, after he had relaxed, with the Moors all around him, singing and rejoicing, eating, the spirit was at its highest pitch.

Later, the Moors enjoyed accompanying brother C. Kirkman Sey to the newly erected building, which is not quite completed. It was a beautiful moonlight night for the moon lighted our way.

We who have witnessed and enjoyed "Fireside Chats" with brother C. Kirkman Sey, can cherish them within, for upon our return, the Moors all gathered around to listen to his instructions, his words of wisdom, which will be our future guide.

On Wednesday, Col. C. Kirkman Sey, enjoyed the sport of hunting, with a group of the brothers. We must admit that when he put on his hunting suit, he was most handsome, and snaps were taken.

Dec. 17th, ushered in a typical winter day with a light snowfall. The beautiful pine trees laden with snow, made a very striking picture. But this did not stop the progress of the Sisters for on that morning you could hear the brothers and sisters exchanging greetings on their National Holiday.

At 7:30 P.M., Sister P. Reynolds El, National Chairman, in her smiling and pleasant manner, took charge of the program presented by the Sisters National Auxiliary.

The welcoming address was made by Sister Doris Franklin El of the Junior Auxiliary. The Sisters were dressed in their white uniforms, turbans and wore their green armbands. They resembled a beautiful bouquet of white roses.

Recitations, speeches, songs and musical selections from the Moorish song at Home were enjoyed.

Last, but not least, National Chairman, presented

He urged the Sisters to continue in their good works for they were making a record for the nation.

After the program, dinner was served at the dining room consisting of roasted chicken with dressing, salad, cranberry sauce, cake, pie, and all kinds of spirited drinks, making everyone feel tip-top.

A merry time was enjoyed by the Moors at the Home on this occasion, and the fact that our Supreme Grand Advisor and Moderator, Col. C. Kirkman sey, was present, made it more so.

He departed on Friday morning, Dec. 18th for New York State, to attend the celebration at Temple No. 34, Brooklyn, sponsored by the Sisters National Auxiliary in that Temple.

The Moors were proud to welcome our Field Representative, brother G. Barker sey, and his co-workers, on Dec. 1. On this trip they brought two fine horses which without a doubt, are an asset to the Home and were donated to the Home by the brothers and Sister of Temple No. 25, Detroit, Michigan. Having completed its trip, the truck on Dec. 3rd, made a trip out East visiting the States of New York, Pennsylvania

and New Jersey, then returning to the Home. After a short rest period, it departed in the early hours of the morning for Chicago, Illinois, the Home Office.

Through the Voice, the brothers and sisters of the Home wish to express their thanks to the various Temples in the East for their cooperation and support.

Brother F. Harrison sey, returned to the Moorish Home on Dec. 2nd, after a brief visit with relatives and friends in Toledo, Ohio.

Brother G. Long sey departed from the Home on Dec. 10th, for Chicago, Ill.

On Nov. 10th we initiated our Moorish Clubroom. Everyone gathered for a delightful game of pinocle. There was music and refreshments and all enjoyed a time in a quiet manner of the Moors. When the feasting came to an end everyone departed to their various homes in high spirits.

On Nov. 15th everyone enjoyed an interesting Sunday School conducted by our Junior Sister, Sister Elizabeth Moss Joy. Quoting from the Questionnaire and Additional Laws, "Out from your Sunday School comes the guiders of the nation." Yes our younger members are progressing in the footsteps of our Ancient Fore-fathers and Mothers. After the Sunday School the Junior Auxiliary of our Temple was formed. The ages of the members range from 4 to 18. Officers were elected and the meeting continued along smoothly. The young members are very much interested and are active workers. The young members served soda water to their own members and also to the adults present.

Plans are now in progress for a Moorish Social Club. It would consist of knitting, crocheting, music and many other things that would help to pass away a pleasant evening. Brothers as well as Sisters are cordially invited.

On Nov. 20th, we were honored with a visit from Brother Barney Jones Joy. He explained to us the necessities of the Moorish Home and told us of the interesting happenings there. Everyone enjoyed his visit.

On Nov. 22nd, we had a small visiting Moor in the person of Sister Aida Robinson El. We all enjoyed her visit. She is asked to come again.

The combined birthdays of Sister F. Young El and Sister Aris Moss Joy was celebrated. The surprise birthday party was given by Sister Young El's daughter. There was dancing and feasting. Everyone enjoyed a lovely evening, and only wished these sisters many more happy birthdays to come.

The Sisters' Auxiliary of Temple No. 11, sponsored a party and many Moors and Asiatic friends were present. The Sisters of this Temple turned out in their white uniforms with green arm bands with the Temple insignia, and the uniform was set off with a similar green handkerchief in the pocket of the dress. We also had with us, Moors from Temple No. 33, and during the evening there was a blackout. Everyone obeyed the rules without hesitation. When the blackout was over the party resumed its course. Everyone enjoyed this evening.

Sister L. Mills El was on the sick list, but she is doing better now.

All the Moors of Temple No. 11 extend "Islam Greetings" to the Moors at the Home and to Moors all over.

was a grand success. On this occasion we were honored with the presence of our Supreme Grand Advisor and Moderator, Col. C. This was an event that had never been held in South Bend before and it was well attended, by Moors and Asiatic friends alike. Everyone present enjoyed the words of truth coming from our Supreme Grand Advisor and Moderator, as he would make his way from the kitchen in and out of the Temple, with a smile on his face and love for all.

The evening was spent feasting, playing cards and dancing and everyone enjoyed themselves and many did not leave the Temple until the next morning.

BITTER WINDS PACK FIVE
INCHES OF SNOW IN THE
STATE OF VIRGINIA.

In the State of Virginia on Dec. 19th, the State was subjected to the season's first snowfall, as Old Man Winter cast his white blanket over the State, accompanied with bitter winds. The temperature fell below freezing point. In various parts snow-ploughs were brought in use to clear the roads for traffic.

At the Home, the pine trees heavily laden with snow, was a beautiful sight for one to behold. One who delights in taking snaps would have enjoyed photographing a lot of this scenery here.

It did not last one hour as soon as the sun appeared it melted and disappeared.

THE VOICE OF THE PROPHET.
(Cont'd.)

America is a lawfully chartered and incorporated organization. Any subordinate Temple that desires to receive a charter; the Prophet has them to issue to every state throughout the United States, etc.

5. That the world may hear and know the truth, that among the descendants of Africa there is still much wisdom to be learned in these days for the redemption of the sons of men under Love, Truth, Peace, Freedom and Justice.

6. We, as a clean and pure nation descended from the inhabitants of Africa, do not desire to amalgamate or marry into the families of the pale skin nations of Europe. Neither serve the gods of their religion, because our forefathers are the true and divine founders of the first religious creed, for the redemption and salvation of mankind on earth.

7. Therefore we are returning the Church and Christianity back to the European Nations, as it was prepared by their forefathers for their earthly salvation.

8. While we, the Moorish Americans are returning to Islam, which was founded by our forefathers for our earthly and divine salvation.

9. The covenant of the great God-Allah: "Honor thy father and thy mother that thy days may be longer upon the earth land, when the Lord thy God, Allah hath given thee!"

10. Come all ye Asiatics of America and hear the truth about your nationality and birthrights, because you are not

Negroes. Learn of your forefathers ancient and divine Creed. That you will learn to love instead of hate.

11. We are trying to uplift fallen humanity. Come and link yourselves with the families of nations. We honor all the true and divine prophets.

that the words spoken by the Governor, at that time, in a most fiery, though eloquent and magnetic manner, sounding as it were, like loud claps of thunder, as he said, "You are not Negroes, you are not Colored People, and you are not Black Folks or Ethiopians, but you are what your ancient forefathers were, Moorish descent and American born, had served to arouse their sleepy brain, to open their blinded eyes and to lift their discouraged minds up from a state of lethargy and despair to the heights of hope and inspiration, that through the program offered by this great organization, their national status would be restored to them and they would once more be recognized as a part of the "Family of Nations of the earth."
